Placement/Study Abroad (Physics) (A19601)

Short Title: Study Abroad
Faculty Science and Computing
Department Science
Cluster Placement and Projects
Author CKEARY
Credits 30

Level: Intermediate

Description of Module / Aims

This module will immerse students into the cultural and academic experience of living and studying abroad.

Programmes

PLAC-0166 BSc (Hons) in Physics for Modern Technology (WD_KPHTE_B)

3 / 6 / E

Indicative Content

- Students will be required to attend classes in the host institute and undertake all assignments and examinations required. The credits earned will count up to a minimum of 20 ECTS for the semester.
- At least 20 credits must be earned from subjects on a physics degree (or a related discipline) and must form part of a learning agreement between the host university, the student and WIT's Department of Science.
- Students will be required to complete a placement portfolio which will contain a set of reflective journals, detailing their study experience and outlining their personal and professional understanding, learning and growth.

Learning Outcomes

On successful completion of this module, a student will be able to:

1. Complete intermediate level (or higher) subjects amounting to 20 ECTS credits (or equivalent) as per a learning agreement in the host university/college.
2. Develop cross-cultural communication skills, possibly including second language skills.
3. Demonstrate an ability to study in a foreign country.
4. Complete weekly reflective logs to document their learning experiences, which will amount to 10 ECTS credits.

Learning and Teaching Methods

- Lectures, tutorials, group work and assignments in host university
- Study abroad preparatory meetings
- Review with study abroad co-ordinator

Assessment Methods

	Weighing	Outcomes Assessed
Continuous Assessment	100%	1,2,3,4
<i>Participation</i>	67%	1,2,3
<i>Portfolio</i>	33%	4

Assessment Criteria

Fail: Candidate has failed to obtain 20 ECTS from host institute.

Pass: Candidate has obtained 20 ECTS from host institute and has submitted placement portfolio.

Learning Modes
