French Language Level B2.2 (M02068)

Short Title: French Language Level B2.2

Faculty Humanities

Department Applied Arts

Cluster Humanities

Author

Credits 5

Level: Advanced

Description of Module / Aims

Aim: The module aims to: give the student understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his / her field of specialisation; enable the student to interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party; enable the student to produce clear detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options; encourage the student to explore other possible ways of thinking and doing things.

Programmes

FREN-0009	BA (Hons) in International Business (WD_BINTB_B)	2 / 4 /

Learning Outcomes

On successful completion of this module, a student will be able to:

1. Oral Production
2. With attention to pronunciation and intonation, the learner is expected to be able to:
3. give clear systematically developed descriptions and presentations with appropriate highlighting of significant points and relevant supporting detail;
4. develop an argument systematically with appropriate highlighting of significant points and relevant supporting detail;
5. display a good lexical competence including commonly used vocabulary and phrases in the appropriate register.
6. Written Production
7. The learner is expected to be able to:
8. take messages communicating enquiries and explaining problems;
9. write conveying degrees of emotion and highlighting the personal significance of events and experiences;
10. use the language creatively and display variety in written communication.
11. Aural Reception (Listening)
12. The learner is expected to be able to:
13. understand the main ideas of propositionally and linguistically complex speech on abstract topics delivered in a standard dialect;
14. understand announcements and messages on concrete and abstract topics spoken in standard dialect at normal speed.
15. Visual Reception (Reading)
16. The learner is expected to be able to:
17. have a broad active reading vocabulary but may experience some difficulty with culturally specific phraseology;
18. be able to quickly scan through long and complex texts, locating relevant details;
19. be able to quickly identify the content and relevance of news items, articles and reports on a wide range of professional topics, deciding whether closer study is worthwhile.
20. Audio-visual Reception
21. The learner is expected to be able to:
22. understand the general topic of media broadcasts and films with the support of contextual information and / or visual clues.

Learning and Teaching Methods

- Interactive seminars will be the main teaching approach. A variety of media will be used in the teaching process (traditional print materials, audio and video material, CALL programmes and online language learning resources). The course will be characterised by a high level of student participation in both classroom activities and self-directed learning activities outside the classroom.
